#### IV. CME Programme/Conferences/Workshops:

The Department of **Community Medicine** Organized the CME on topic “**VACCINES REVISTED**” on 20/07/2019 at Auditorium 2<sup>nd</sup> floor, Administrative block. ESIC Medical College & Hospital, Sanathnagar, Hyderabad.

##### **Objectives of the CME:**

- To update the knowledge in the recent updates about various types of childhood and adult vaccines
- To know the programmatic development in the immunization operationalization
- To Increase the importance of cold chain maintenance and minimize the Adverse Events Following Immunization (AEFI).
- To understand the scientific research behind recent advances in vaccine development
- To overcome the challenges and obstacles facing during the immunization

**Target Participants:** Health care professionals, Postgraduates and Undergraduates (MBBS), and Programme managers

##### **Number of Participants:**

ESIC staff: 32

Non-ESIC: 91

##### **Program Details:**

Welcome note was given by Dr Harshal Pandve, Organizing Chairperson, Professor & HOD, Department of Community Medicine, ESICMC.

The session was inaugurated at 9.00 AM by Guest of Honor of the Day. The inauguration and lamp lighting was done by the chief guests and presenters. The sessions started by guest speakers from 9.30 AM to 3.30PM. A tea break of 15 min from 11.00 AM -11.15 AM followed by lunch break from 1.00PM -2.00PM and post lunch tea break was given from 3.30 PM to 3.45 PM. Postgraduate Quiz was organised from 3.45 PM to 5 PM with five rounds. The session was ended by Vote of Thanks given by Ms. Bhargavi, Tutor, Department of Community Medicine, ESICMC. It was followed by the certificate distribution.

##### **Speaker's credentials and topic:**

S. No.	Speaker/ Resource Person	Topic
1	Dr. D. Sridhar Assistant Professor Dept. of Community Medicine Gandhi Medical College, Secunderabad	<b>Recent advances in National Immunization Schedule</b>
2	Dr. Sudheera Joint Director, Child Health & Immunization, Telangana State	<b>Programmatic development in immunization operationalization</b>

3	Dr. Ganesh Rao District Immunization Officer, Rangareddy District Telangana State	<b>Cold chain Maintenance and Adverse Events Following Immunization</b>
4	Dr Pravin Pisudde Associate Professor Dept. of Community Medicine ESIC Medical College Sanath Nagar	<b>Adult Vaccines</b>
5	Dr. Sanjay Gandhi Vice President Cluster Medical Lead, South Asia, GSK Vaccines, Mumbai, Maharashtra	<b>Recent Advances in Vaccine development</b>
6	Dr. Pragath Ponnam State Surveillance Medical Officer WHO-NPSP, Hyderabad	<b>New age challenges for immunization</b>

**Organizing Committee members:**

Dr Harshal Pandve, Professor & HOD, Dept of Community Medicine ESIC MC  
Dr Pravin Pissude, Associate Professor, Dept of Community Medicine ESIC MC  
Dr Sudha Bala Assistant Professor, Dept of Community Medicine ESIC MC  
Dr Hari Krishna, Assistant Professor, Dept of Community Medicine ESIC MC  
Dr Suthanthira Kannan S, Assistant Professor, Dept of Community Medicine ESIC MC  
Dr D Surendra Babu, Assistant Professor, Dept of Community Medicine ESIC MC  
Dr. Pavan Kumar, Tutor, Dept of Community Medicine ESIC MC  
Dr. Revathi, Tutor, Dept of Community Medicine ESIC MC  
Dr. Bhargavi, Tutor, Dept of Community Medicine ESIC MC

**Benefit to the Department:** Benefit faculty by providing professional development opportunities that continuously update professional knowledge, personal skills, and core competencies.

CME leads to expand public and professional awareness of our department/division services, research initiatives, and the faculty involved with each activity.

**Benefit to ESIC:** CME is beneficial and valuable to the students, public health professionals, programme managers to address challenges faced in the field and how to address them practically in their professional practice and other. It improves health care organization, community, city, state & region.
